I. BACKGROUND

A. The United States of America (“United States”), by the Attorney General, on behalf of the United States Department of the Interior (“DOI”) and the United States Department of Commerce, National Oceanic and Atmospheric Administration (“NOAA”), has filed a complaint against Bouchard Transportation Co., Inc., Tug Evening Tide Corp., and B. No. 120 Corp. (“Defendants”) in this Court alleging that the Defendants are liable to the United States under Section 1002(a) and (b) of the Oil Pollution Act of 1990 (“OPA”), 33 U.S.C. § 2702 (a) and (b), for damages for injury to, destruction of, loss of, or loss of use of, certain Natural Resources, including the reasonable cost of assessing the damages, resulting from an oil spill that occurred in the vicinity of Buzzards Bay, off the shores of the Commonwealth of Massachusetts and the State of Rhode Island and Providence Plantations, on April 27, 2003 (the “Oil Spill”).

B. The Commonwealth of Massachusetts (“Commonwealth” or “Massachusetts”) has also filed a complaint on behalf of the Secretary for the Executive Office of Energy and Environmental Affairs against the Defendants in this Court alleging that the Defendants are liable to the Commonwealth under Section 1002(a) and (b) of OPA, 33 U.S.C. § 2702 (a) and (b), and Section 5(a)(ii) of the Massachusetts Oil and Hazardous Material Release Prevention and Response Act, M.G.L. c. 21E, § 5(a)(ii), for damages for injury to, destruction of, loss of, or loss of use of, certain Natural Resources, including the reasonable cost of assessing the damages, resulting from the Oil Spill.

C. The State of Rhode Island and Providence Plantations (“State” or “Rhode Island”) has also filed a complaint against the Defendants in the United States District Court for the District of Rhode Island (the “Rhode Island Action”) alleging that the Defendants are liable to

the State under Section 1002(a) and (b) of OPA, 33 U.S.C. § 2702 (a) and (b), and Rhode Island Gen. Laws Section 46-12.5.7, for damages for injury to, destruction of, loss of, or loss of use of, certain Natural Resources, including the reasonable cost of assessing the damages, resulting from the Oil Spill.

D. Rhode Island intends to file a motion pursuant to 28 U.S.C. § 1404(a), or otherwise, to transfer the Rhode Island Action from the United States District Court for the District of Rhode Island to the United States District Court for the District of Massachusetts, as to which the Parties do not object.

E. The Plaintiffs intend to file a joint motion to consolidate the separate actions noted above in the United States District Court for the District of Massachusetts, as to which the Defendants do not object.

F. The complaints allege that the Oil Spill occurred when the tugboat Evening Tide, owned and/or operated by the Defendant Tug Evening Tide Corp., a wholly-owned subsidiary of Defendant Bouchard Transportation Co., Inc., was towing the unmanned tank barge, Bouchard No. 120, owned and/or operated by B. No. 120 Corp., also a wholly-owned subsidiary of Defendant Bouchard Transportation Co., Inc., in the vicinity of Buzzards Bay. The complaints further allege that: (1) up to 98,000 gallons of oil were spilled or leaked as a result of the incident; (2) the Oil Spill caused injury to, destruction of, loss of, or loss of use of, certain Natural Resources belonging to, managed by, held in trust by, appertaining to, or otherwise controlled by the United States, the Commonwealth, and the State; and (3) the United States, the Commonwealth, and the State have incurred costs in assessing the nature and extent of these injuries.

G. The United States, the Commonwealth, and the State share trusteeship of the Natural Resources alleged in the complaints to be injured and are coordinating assessment and restoration efforts.

H. The Parties agree and this Court finds that settlement of this matter without further litigation is in the public interest and that the entry of this Consent Decree is the most appropriate means of resolving these matters.

I. The Parties agree and this Court, by entering this Consent Decree, finds that: (1) this Consent Decree has been negotiated by the Parties in good faith, following the Defendants' participation in a cooperative natural resource damage assessment with the Trustees, pursuant to the Memorandum of Agreement entered into by the Trustees and Bouchard Transportation Co., Inc. on October 12, 2006 ("Trustee and RP Memorandum of Agreement") that is available in the administrative record for this matter; (2) settlement of this matter will avoid prolonged and complicated litigation; and (3) this Consent Decree is fair, reasonable, and in the public interest.

J. The Defendants do not admit any liability arising out of the transactions or occurrences alleged in this action.

NOW, THEREFORE it is Adjudged, Ordered and Decreed:

II. JURISDICTION

1. The Parties agree and this Court concludes that it has jurisdiction over the subject matter of this action pursuant to Section 1017(b) of OPA, 33 U.S.C. § 2717(b), and 28 U.S.C. §§ 1331 and 1345. Venue lies in this District pursuant to Section 1017(b) of OPA, 33 U.S.C. § 2717(b), and 28 U.S.C. 1391(b). This Court has pendent jurisdiction over the state law claims. This Court has, and the Defendants consent to, the Court's personal jurisdiction over them in

connection with this action. Solely for the purposes of this Consent Decree and the underlying complaints, the Defendants waive all objections and defenses that they may have to jurisdiction of the Court or to venue in this District. Defendants shall not challenge this Court's jurisdiction to enter and enforce this Consent Decree.

The Defendants shall pay stipulated penalties within thirty (30) days of receipt of written demand

for such stipulated penalties by certified mail, as determined by the date of the required signature by the Defendants' authorized representative or agent acknowledging receipt of the written demand.

This covenant not to sue is conditioned upon receipt by the Commonwealth of all payments required by Section VI (Payments by Defendants) and, as applicable, Section VII (Stipulated Penalties) of this Consent Decree.

14. In consideration of the payments and actions that have been and will be made by the Defendants under this Consent Decree, the State covenants not to sue the Defendants pursuant to Section 1002(a) and (b) of OPA, 33 U.S.C. § 2702(a) and (b) and Rhode Island Gen. Laws Section 46-12.5.7, for (1) Costs of Assessment (except with respect to the Unpaid Costs of Assessment) and (2) damages for injury to, destruction of, loss of, or loss of use of Aquatic Resources, Shoreline Resources, Recreational Resources, and Piping Plovers, related to the Oil Spill. This covenant not to sue is conditioned upon receipt by the State of all payments required by Section VI (Payments by Defendants) and, as applicable, Section VII (Stipulated Penalties) of this Consent Decree.

15. Reservations of rights. Notwithstanding any other provision of this Consent Decree, the United States, the Commonwealth, and the State reserve, and this Consent Decree is without prejudice to, all rights against the Defendants with respect to all matters other than those

expressly specified in the covenants not to sue set forth in Paragraphs 12, 13, and 14 of this Section, including, but not limited to:

- a. claims against the Defendants for their failure to meet a requirement of this Consent Decree;
- b. claims against the Defendants for damages, including assessment costs, under OPA and any other applicable law, for injury to, destruction of, loss of, or loss of use of, Natural Resources that are not related to the Oil Spill;
- c. any criminal liability;
- d. subrogated claims under Section 1015 of OPA, 33 U.S.C. § 2715, for any amounts paid or to be paid by the Fund in connection with the Oil Spill;
- e. claims, other than claims for Natural Resource Damages related to the Oil Spill, against the Defendants that the Commonwealth, the State, or the United States on behalf of the United States Environmental Protection Agency, and/or the United States Coast Guard, may have under any applicable law;
- f. claims against the Defendants for injuries to Natural Resources other than those for Aquatic Resources, Shoreline Resources, Recreational Resources, and Piping Plovers, including but not limited to, injuries to Wildlife Resources; and
- g. claims against the Defendants for Unreimbursed Costs of Assessment and Unpaid Costs of Assessment.
- h. Special Reservations Regarding Natural Resource Damages.

Notwithstanding any other provision of this Consent Decree, the United States, the Commonwealth, and the State reserve the right to institute proceedings against the Defendants in

this action or in a new action seeking recovery of Natural Resource Damages for Aquatic Resources, Shoreline Resources, Recreational Resources, and/or Piping Plovers, based on:

i. conditions caused by the Oil Spill, unknown by the Trustees as of the date of the lodging of this Consent Decree, that cause new or additional injury to, destruction of, loss of, or loss of use of such Aquatic Resources, Shoreline Resources, Recreational Resources, and/or Piping Plovers; or

ii. information received by the Trustees after the date of lodging of this Consent Decree indicating that the Oil Spill has resulted in new or significant additional injury to, destruction of, loss of, or loss of use of, such Aquatic Resources, Shoreline Resources, Recreational Resources, and/or Piping Plovers which injury is of a type that was unknown or a magnitude greater than was known by the Trustees as of the date of lodging of this Consent Decree.

X. COVENANT BY THE DEFENDANTS

16. The Defendants hereby covenant not to sue and agree not to assert any claims or causes of action against the United States, the Commonwealth, or the State, and their employees, agents, contractors, departments, agencies, administrations and bureaus, related to Natural Resource Damages arising from the Oil Spill, including, without limitation, any potential or pending claims against the Fund relating to the Oil Spill.

17. The Defendants further agree that in any subsequent administrative or judicial proceeding initiated by the United States, the Commonwealth, or the State for: injunctive relief; recovery of Unreimbursed Costs of Assessment or Unpaid Costs of Assessment; or other relief relating to the Oil Spill, Defendants shall not assert, and may not maintain, any defense or claim

based upon the principles of waiver, res judicata, statute of limitations, collateral estoppel, issue preclusion, claim-splitting, the entire controversy doctrine, or other defenses with respect to claims for injury to Natural Resources, including claims brought under Paragraph 15.h and claims for destruction of, loss of, or loss of use of, Wildlife Resources, based upon any contention that the claims raised by the United States, the Commonwealth, or the State in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the covenants not to sue set forth in Section IX (Covenant Not To Sue by Plaintiffs) or Paragraph 16 of this Section X. The time between the lodging of this Consent Decree and the date of completion of the Natural Resource Damage assessment under Section 1006(c) of OPA, 33 U.S.C. § 2706(c), shall not be counted in relation to the computation of any applicable statute of limitations.

XI. EFFECT OF SETTLEMENT

18. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. In addition, nothing in this Consent Decree shall limit, enlarge, or otherwise affect, the private rights or claims of any person not a Party to this Consent Decree, except as may be determined otherwise by a court of competent jurisdiction. Each of the Parties expressly reserves any and all rights (including, but not limited to, any right of contribution), defenses, claims, demands, and causes of action which each Party may have with respect to the Oil Spill against any person not a Party hereto. The Trustees, who are authorized to act on behalf of the public with respect to Natural Resources, are entering into this Consent Decree solely to settle all claims relating to injury to, destruction of, loss of, or loss of use of Aquatic Resources, Shoreline Resources, Recreational Resources, and

Piping Plovers resulting from the Oil Spill that arise under or may be brought pursuant to Section 1002(a) and (b) of OPA, 33 U.S.C. § 2702(a) and (b), M.G.L. c. 21E, § 5(a)(ii), and Rhode Island Gen. Laws Section 46-12.5.7, to the extent specified in Paragraphs 12, 13, and 14 above (Covenant Not to Sue by Plaintiffs).

19. This Consent Decree shall not bar any action by the United States, the Commonwealth, or the State with respect to any matters other than those expressly specified in the covenants not to sue set forth in Paragraphs 12, 13, and 14 of Section IX.

20. This Consent Decree shall not preclude the United States, the Commonwealth, or the State from instituting a separate or ancillary action to enforce the terms of this Consent Decree.

XII. MODIFICATION

21. a. Material Modifications. Material modifications to the Consent Decree may be made only by written approval of the Parties and the approval of the Court.

b. Non-Material Modifications. Non-material modifications of the Consent Decree may be made only by written approval of the Parties, and will become effective upon their filing with the Court.

c. Modifications to the Trustee Memorandum of Agreement. Notwithstanding Paragraph 21.a, any modifications to the Trustee Memorandum of Agreement may be made only in accordance with the terms of that agreement.
